

Ladies & Gentlemen

We are happy to cordially invite you to **International Conference "Lakes & Reservoirs: Hot Spot and Topics in Limnology"**, a summit organized by **Polish Limnological Society** in co-operation with **Romanian Limnogeographical Association** and held in **Mikorzyn, Poland in 17-20 September 2019**. Its main aim is to share experience on the ecology, complexity and diversity of freshwater ecosystems, development of restoration and management methods, control measures and risk assessments.

MAIN CONFERENCE THEMES

- Surface waters management
- Functioning of heated lakes
- Novel methods of lakes restoration.
- Hydrobiology and aquatic ecology
- Emerging threats to aquatic ecosystems

SPECIFIC TOPICS

Freshwater biodiversity; Lake restoration; Lake management and bioindication; Aquatic toxicology; Lake pollution; Lake hydrology; Paleolimnology; GIS and modelling in limnology; Lake-catchment relations and Water Framework Directive (WFD); Physical limnology; Shallow lakes, ponds and WFD; Functioning of reservoirs; Water and human health

VENUE

Conference will be held in Hotel Wityng in Mikorzyn. The hotel is located in the area of heated lakes of Konin (Western Poland, 100 km from City of Poznań). Mikorzyn 1A, 62-561 Ślesin, Poland GPS: N 52°34' E 18°29'

REGISTRATION & ABSTRACT SUBMISSION

Registration and abstract submission must be made online at www.lakes2019.eu

DEADLINES

Early Bird Registration: **31st MAY 2019**

Abstract Submission: **1st JULY 2019**

Manuscript Submission to WATER or LIMNOLOGICAL REVIEW: **20th SEPTEMBER 2019**

CONFERENCE FEE COVERS ALL COSTS INCLUDING PARTICIPATION, ACCOMODATION (17-20.09), DINING AND SOCIAL EVENTS

FEE TYPE	EARLY BIRD (To 31 May 2019)	REGULAR (After 01 June 2019)
